Payment with Extension:

Filing an extension will give you extra time to file your tax return, but it does not extend the time that you have to pay any taxes due. To avoid penalties and interest, it is recommended that you pay at least 90% of your tax liability by April 15, 2024. *For a \$100 fee we may be able to help estimate these amounts.*

Amount you would like to pay with federal or state extensions: Fed: ____ State ____
If you will be filing in states other than IL, please list here:

Illinois must be paid by check or via My Tax Illinois, direct debit not available for IL.
