Payment to Illinois with Extension:

Filing an extension will give you extra time to file your tax return, but it does not extend the time that you have to pay any tax due. To avoid penalties and interest, S Corporations may want to pay in an estimate for their IL replacement tax due by March 15, 2019. Illinois replacement tax is 1.5% of your net profit.

Amount you would like to pay with your Illinois extension (if any): \$_____

For Direct Debit

Bank Routing #:

Bank Account #:

*We require a \$100 deposit in order to process extensions. This will get applied toward the cost of your 2018 tax return. Please sign below to allow us to charge our \$100 deposit to the bank account listed above as well as pay the IL replacement tax on your behalf for the amount you have provided.
